

PRIVACY POLICY AS OF 27.10. 2024

1. GENERAL

This is the Privacy Policy of X Oy ("X") applicable to all websites and services operated by X. Some websites, web pages or services of X may be subject to specific terms of use. In this case the Privacy Policy constitutes an integral part of such terms; however, should any contradictions occur, such terms shall prevail over this Privacy Policy. In the following by user (the "User") is meant any individual user of the websites and thereto related services of X, and any legal entity represented by such individual user.

X website/s may contain links to other websites. X Privacy Policy applies only to X websites, so if User click on a link to another website, User must read their privacy policy and terms of service.

When the User has become the user of Helm1 Technology (licence), where applicable, the Google Privacy Policy and Terms of Service and AWS Privacy Policy and Terms of Service are applied together with the agreement/s governing the use of Helm1 Technology.

The User agrees to be bound by this Privacy Policy, as amended from time to time, by visiting and/or using the websites of X or by registering and disclosing personal information to X in connection with its web pages or services as well as by using the services of X. Any use or disclosure may take place only if the User agrees to this Privacy Policy in its entirety.

X respects the privacy of the User and commits itself to observe the applicable laws and statutes of Finland and the European Union relating to privacy as well as principles expressed in this Privacy Policy. X is the controller of the personal data for the purposes of the Finnish Data Protection Act, with exception where the User is under third-party privacy policy and terms of service according to this Privacy Policy.

If X and/or X's service providers processing personal data on X's behalf transfer personal data to countries outside the EU or the EEA, the transfer is subject to standard data protection clauses adopted by the EU Commission or other appropriate safeguards, unless the EU Commission has found that the level of data protection is adequate in the country in question.

2. CONTROLLER INFORMATION

This Privacy Policy concerns personal data that X processes about User as a controller. Please find below X's contact information.

Name: X Oy

Address: Veneentekijäntie 8, Helsinki, Finland

E-mail: _____

Web address:

3. USE OF DATA

3.1 Personal data

In general the websites of X can be browsed without providing any personal data about the User. When the User opts to use or purchase the services provided by X or to otherwise register at the website of X providing of certain contact and identity information, billing information and other personal data will be required.

X will hold and process any personal data which the User provides via the websites or by submitting emails and/or online forms for its own internal business purposes. X shall not pass on or sell online personal data to third parties. X may however share data within its organization. This may include X's employees, agents, contractors and sub-contractors and the use of third party systems to process such data. X may use email address or other contact information for queries and other contacts in relation to development and improvement of its services as well as for marketing of its own services to the User.

X may also send proposals and offers based on the usage statistic of the User in a responsible manner.

By sending personal data to X the User is explicitly consenting to the processing and transfer of such data in ways described above. X cannot be responsible for personal data which the User uploads and shares between other users of the services of X. The User and the users of the shared information are responsible to maintain applicable statutory privacy.

3.2 Cookies

X may place in your computer information in the form of a text file known commonly as a "cookie". A cookie may enable collection of certain information about the computer of the User, including the internet protocol (IP) address, the computer's operating system, the browser type and the address of any referring sites. The use of cookies is intended to provide benefits to the User, such as eliminating the need to enter password frequently during a session. Cookies are also used for website traffic analysis and anonymous demographic profiling in order to improve services of X.

3.3 Aggregated Data

X may use anonymized data obtained via the User's visits to websites of X and/or directly disclosed there by the User in order to improve and develop the websites and services of X and to produce aggregated sales information and other statistics.

4. SECURITY

X takes appropriate technical and organizational information security measures to prevent and minimize risks. There are always risks associated with data transmissions over the internet, and for that reason X cannot warrant the security of the data you transmit to us. X strives to protect any personal data.

5. AMENDMENTS

X may change or modify this Privacy Policy in its sole discretion. X shall inform the User about any major changes adversary to the User. Changes become effective immediately upon posting them at X website. The continued use of the websites or services of X after any changes or modifications constitutes the User's acceptance to such. The User should review the most current version of the Privacy Policy at the above-mentioned web address regularly.

6. APPLICABLE LAW

This Privacy Policy shall be construed, governed and enforced in accordance with the laws of Finland without giving effect to any principle of law which would result in the application of laws of any other jurisdiction, and irrespective whether the websites of X have been accessed from Finland or abroad. Helsinki District Court, Finland (Helsingin kärjäoikeus) shall have exclusive jurisdiction over any dispute arising out of use or non-use of the websites of X.

7. USER RIGHTS

X would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access - You have the right to request X for copies of your personal data. X may charge you a small fee for this service.

The right to rectification - You have the right to request that X corrects any information you believe is inaccurate. You also have the right to request X to complete information you believe is incomplete.

The right to erasure - You have the right to request that X erases your personal data, under certain conditions.

The right to restrict processing - You have the right to request that X restricts the processing of your personal data, under certain conditions.

The right to object to processing - You have the right to object to X's processing of your personal data, under certain conditions.

The right to data portability - You have the right to request that X transfers the data that we have collected to another organization, or directly to you, under certain conditions. If you make a request, X has one month to respond to you. If you would like to exercise any of these rights, please contact X at email: xxx@fi

In case personal data of a User is removed X may not be able to continue to provide services to that User.
